-Question: What is the minimum number of bikes to create a new class?

Answer: A new class is a rule change and cannot be added after Rulebook deadline.

Vintage Rep - Duncan Craick

-SOTP are running rounds at Miller again. If you have a twin or single modern bike, they have a class for you.

-Aug 11th SOTP at PR we will have Nixon and Springsteen as guests. If you want to race against them, bring a vintage bike and participate.

Good of WMRRA

-Liz Chaffen: She and Jeff Wieand are looking to upgrade corner worker training with First Aid and CPR assistance response. They are having a training session for flags & radio and event scheduling for trained corner workers on March 18th. We are going to a semi-official uniform of all white with a white shirt minimum.

-A raffle system for corner worker participation incentive being put in place. If you have donations to make, they would be welcome for the drawing at the end of the year.

-Track volunteer work days are March 17th and 18th for tire wall repair and cleanup at PR around 9 am.
