Meeting Started @ 6:45 PM

Consensus on presenting Marcel with the following two options:

- Option #1 – You can work 1 full day volunteering by either corner working or helping the race day staff. You can do this on either Saturday or Sunday of the next WMRRA race weekend (June). If you do this, you will be permitted to return and participate as a racer in the July round @ Spokane Raceway. You will not be permitted to participate as a racer at all in the June round.
- Option #2 – If you chose to not do 1 full day of volunteering at the June WMRRA Round, you will not be allowed to return and participate as a racer until the August round @ Pacific Raceways.

In addition, the Appeals board then states that Marcel is under probation indefinitely. Any more incidents that are deemed dangerous or detrimental to the club will result in a year long suspension; no appeal.
