Good of Wmrra

- Erin Gua- 800's are for graduated and returning novices. 900's are for new novices.
- Returning novices will still have a yellow number plate.
- Michael Bateman- 8 year cut off rule for TFS has been getting some inquiries for allowing certain bikes to race.
- Riders will be petitioning their rider reps and the e-board for approval as per the rulebook.
- Jeff Wieand- Volunteers want to keep their rider numbers without paying a membership fee, since they get a membership free from volunteering. The new scoring system will allow those people to do that.
