

Washington Motorcycle Road Racing Association 2011 Novice Graduation Form

Instructions:

1. To graduate you must complete 10 races safely. DNS, DNF, and DQ's do not count towards graduation.
2. You must volunteer for either air fence setup **or** teardown, complete a ½ day of working with the race day staff, **and** corner work one complete race day in order to graduate per Section B, section 14.c.II of the rulebook.
3. On the day you expect to complete the last of your 10 races, fill out this form and submit it to the race director.
4. Notify your mentoring instructor(s).
